

Mission Opportunity

In May 2024, Rev. Donna Hinkle from Community of Grace UMC spoke at the M&M Brunch.

Rev. Hinkle shared about her visit to Living Hope High School in Bungoma (Kenya) and the need for sponsorships for African students to attend high school.

Living Hope High School is recognized by the United Methodist Global Missions. This means that 100% of your giving goes directly to Living Hope High School.

The primary goal is to educate hundreds of impoverished and vulnerable youths. The long-term impact of this will be to create Christian leaders, mentors, and witnesses in the Bungoma district of Western Kenya.

Cost: \$55.00 per month or \$660.00 per year (they are trying to get a 4-year commitment to get them through the 4 years of high school).

Extra cost: At least \$10.00 a month for incidentals, e.g. church giving, books, toothpaste, haircuts.

You may feel lead to sponsor a student as an individual or as a small group (Sunday school classes or several individuals combining).

Contact Prudy Colvin for more information and to choose a student. (304-416-2423 – text or call)
